Performance Mix Festival Presents *Aattitle* by **Simon Portigal**

New York, NY

Thursday, June 7, 2018 to Friday, June 8, 2018

Arts and Culture

An experimental dance performance, *Aattitle* aims point blank at language's grip on the production of experience. Simon Portigal endeavours to abandon the security of identification by using dance to forge weapons of soft, slippery mutability.

Montreal-based Simon Portigal studied at L'EDCMTL and at P.A.R.T.S. He is a recipient of a danceWEB Scholarship for 2017.
